WHY NICOLETTI HOME?

DESIGN.
CRAFTSMANSHIP.
COMFORT.
100% MADE IN ITALY

MORE THAN SIMPLE
COVERING: PERFECTLY
DRESSED

A WORLD OF OPTIONS

Every exclusive design from NicolettiHome exudes refined Italian style and an obsessive attention to the finest details. Expert craftsmen transform our ideas into reality. Expert hands work to create our designers vision, and so, the prototype is born: An indispensable step to improve and further enhance the design. Every stitch and every curve is handcrafted with passion to create the perfect balance between design and comfort.

Wood is the first real contact between nature and the hands of a master craftsman. Creating a frame that's strong and true. Quality derives from choosing the right timber, skillfully joining it together to meet our exacting standards.

Shaping polyurethane foam, adding the softness that characterizes a sofa to the sturdiness of wood. The foam is produced without adding CFCs, which makes an eco friendly product. Lightness, breathability and outstanding comfort quality is achieved thanks to thin, hollow cells in its honeycomb structure.

The positioning of the elastic webbing is studied and analyzed too, in order to maximize comfort. Webbing must be wide enough (7 cm) and spaced out evenly, at a distance of 3-5 cm approximately. This ensures that individual bands don't undergo too much strain, thus preventing loss of elasticity over time.

Choosing from our vast leather selection is like finding that perfect outfit, for every occasion. Talking about leather means coming in close contact with our company's DNA and our expertise.

LEATHER IS A BEAUTIFULLY NATURAL PRODUCT WITH FEATURES THAT
CREATE THAT FEELING OF QUALITY

Leather selection, its origins and tanning methods are the ongoing themes on which our company professionals' work is based. To manage an assortment of 120 different colors (50 leathers and over 70 fabrics) therefore we have the means to tangibly meet any customer's furnishing needs.

Stylish: Arm shapes creating variable sofa widths and styles together optional leg styles and finishes
Sofas, Standard, modular, corner and chaise ends;
Power (double and single) recliner or static;
Standard or extra-large seats;
Something for everyone
