L'essenza del comfort

PEOPLE è la nuova collezione Nicoletti Home realizzata su misura per chi ha poco tempo per vivere la casa.

Poco tempo, ma da godere.

Per questo People offre divani che fanno riscoprire l'accoglienza, il relax, il comfort. Senza rinunciare al design e alla qualità tipici della tradizione artigianale made in Italy Nicoletti Home.

PEOPLE: il punto di riferimento che non delude mai la tua voglia di comodità.

The essence of comfort

PEOPLE is the latest collection by Nicoletti Home, designed for everyone who has little time to fully live their homes and demands quality nonetheless. The PEOPLE collection sofas are pieces of design that ensure a high level of comfort that will make guests feel welcome and relaxed, whilst proving the unequalled traditional craftsmanship that characterizes Nicoletti Home since the beginning.

PEOPLE is a certainty that will always satisfy your expectations of comfort.
